Instructions

- Make sure your budget form clearly shows how the Oregon Humanities grant funding you are requesting will be spent. Please be sure to review these sections of the grant listing before creating your budget: Matching Funds Requirements, Approved Activities for Awards, and Ineligibility, Restrictions, and Compliance Standards for Grant Awards in the [Public Program Grant listing](https://www.oregonhumanities.org/programs/grants/public-program-grants-2/).
- We only accept requests for program/project support (not general operating support).
- Oregon Humanities Public Program Grant requests must not constitute more than 50% of your program's/event's budget.
- All grant award dollars must be matched at least 1:1 with earned, contributed, or in-kind support from the grant applicant.
- The total amount of your expenses must match or exceed the total amount of revenue for your project.
- *Volunteers' labor hours may be calculated at the national standard of \$34.79/hour.
- Indirect Costs may be requested and cannot exceed 15% of Total Direct Costs (not Other Costs).
- Ensure the amounts requested on this document match the amounts in your grant application form and in the Budget Narrative section.
- Please round to the nearest dollar (do not include cents).

Visit the grant listing for more information about eligibility and approved expenses for this grant program.
